

Shivani Bhushan

sbhushan@ucdavis.edu

Objective

Secure a summer internship at a leading software company where my computer skills will be of value

Education

BS COMPUTER SCIENCE | UNIVERSITY OF CALIFORNIA, DAVIS | SEPT 2017 – JUN 2021

- GPA: 3.83
- Deans' Honor List
- Completed coursework: Object-Oriented C++ Programming, C Programming, Computer Organization and Machine-Dependent Programming, Discrete Mathematics
- Coursework in progress: Algorithm Design and Analysis, Operating Systems, Probability and Statistical Modeling, Computer Architecture, Data Structures, Algorithms and Programming

SCRIPPS RANCH HIGH SCHOOL | SEPT 2013 – JUN 2017

- GPA: 4.48

Skills & Abilities

COMPUTER

- Proficient in C / C++
- Familiar with Java, Python, HTML, CSS and Android app development
- Attended multiple workshops on website development at UC Davis. Continuing to enhance my personal website (<https://shivani0767.github.io>) using HTML, CSS, JavaScript, Bootstrap and jQuery online

LEADERSHIP

- Treasurer of Davis Computer Science Club | Sept 2018 - Present
- Founder/President of Girls Who Code club at Scripps Ranch High School | Oct 2015 – Jun 2017

COMMUNICATION

- Attended Google's annual I/O event at Moscone Center in May 2015
- Invited to Women Techmakers' Dinner just before I/O start

Experience

INTERN | CRONOLOGICS (NOW ACQUIRED BY GOOGLE) | JUL-AUG 2016

- Conducted user experience testing for Cronologics Android watch OS platform. Designed use cases and procedures for the focus group participants, analyzed responses and curated valuable feedback to improve the platform.
- Identified bugs in the platform through power use and invoking rare paths offered by the GUI
